World Fisheries Day 2019: Awards Ceremony

“ Unifying working fishermen and women from all over the globe was the purpose for the World Forum of Fish Harvesters & Fish Workers that came together in New Delhi on 21st November 1997. On that day, the World Fisheries Forum (WFF) was established and fishing representatives from 18 countries signed a declaration advocating for a global mandate of sustainable fishing practices and policies.”

To commemorate this day, the 21st November is celebrated every year as World Fisheries Day. NFDB has institutionalized awards in different categories to felicitate the outstanding fish farmers on this day in recognition of their accomplishments in innovation, development and adoption of improved technologies and practices in fish farming. The Awardees will be felicitated with a memento, shawl, certificate, citation and a cash prize of Rs. 10,000 /- for the 1st position and Rs. 5,000/- for the 2nd position.”
